

*Starter*

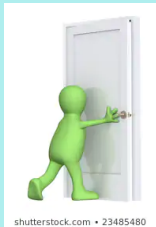

*What is magnetism?*

*Magnetism is the force that attracts or repels from a distance.*

Tuesday 8th December 2020

LO: To group moving object as noncontact or contact.

Think about things that move

Are these object contact or non-contact?

*Some objects need contact to move such as shutting a door or kicking a football.*

*Some forces can act at a distance e.g. magnetism. The magnet does not need to touch the object that it attracts.*

*In your book draw the table below;*

*Contact*

*Non contact*
