LO: To subtract

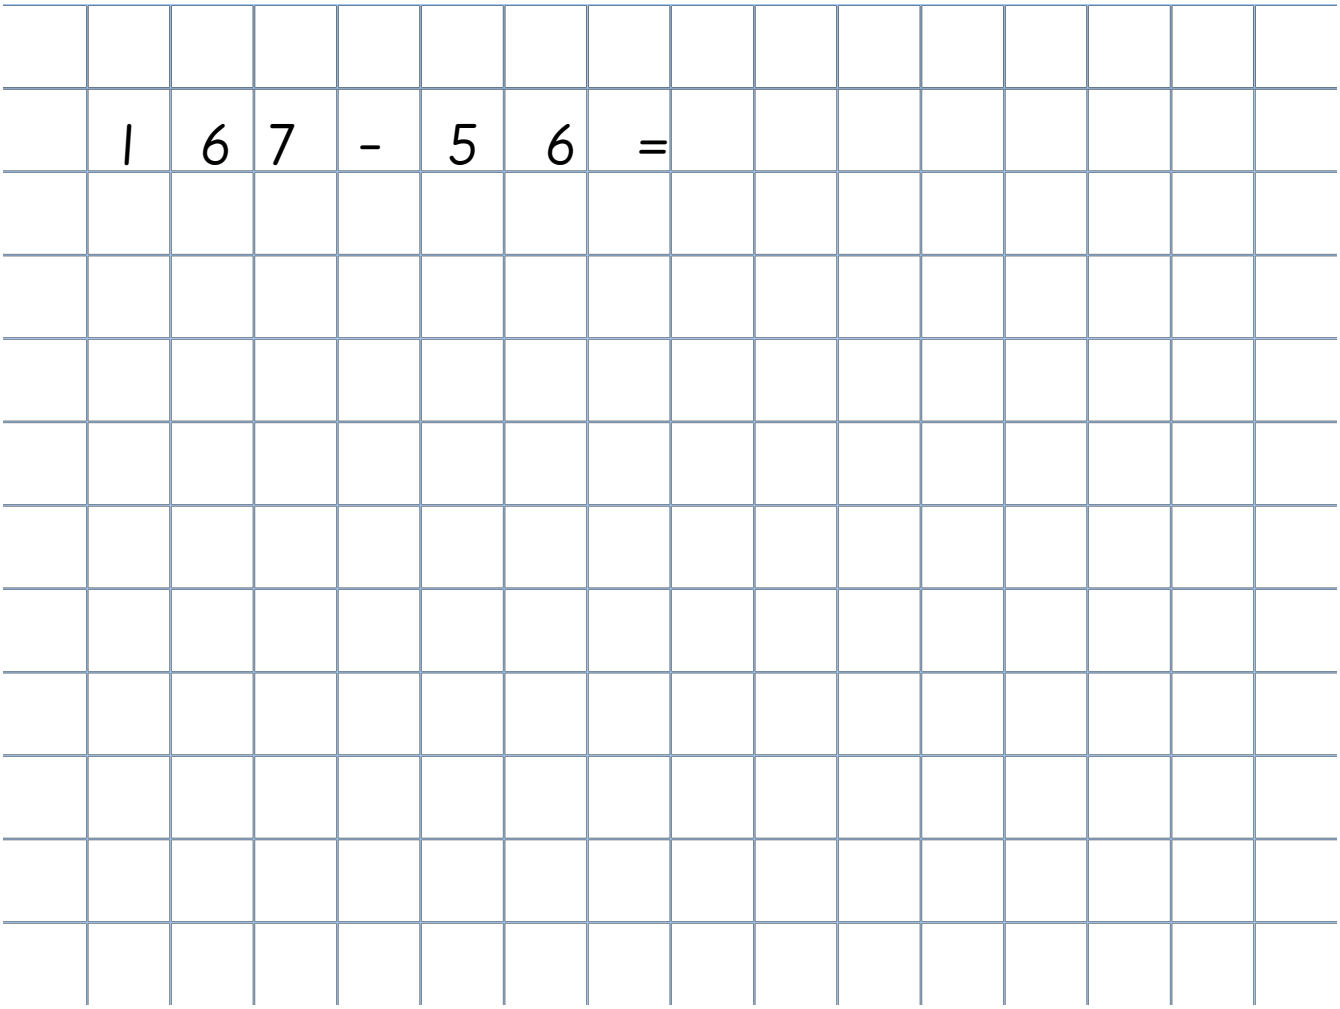

Starter:

- 254 - 2 =
- 633 - 5 =
- 907 - 9 =

Do you remember how we use column method for subtraction?

How do we exchange?

44 - 22 =

167 - 56 =

1. 435 - 24

2. 143 - 32

3. 486 - 25

4. 772 - 51

5. 357 - 36

6. 447 - 32

7. 588 - 73

8. 979 - 68

Challenge:

PROBLEM SOLVING 1

Whoops! I've spilt paint on some of the numbers. Can you work out what they might be?

5 + 0 = 531

2 - 0 = 287

Challenge:

REASONING 1

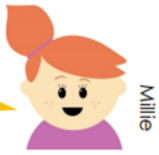

The children are using known facts to help them solve this:

376 - 50

I have used 7 - 5 = 2

I have used 6 - 5 = 1

Who is using the correct known fact?

Explain how you know.
