Can you count back from 20?

Can you play a game with a grown up? Choose a number and get them to count back from it. Then it's your turn!!

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

Today we are learning to take away.

Remember when we take away, we have to start with the biggest number.

5 2

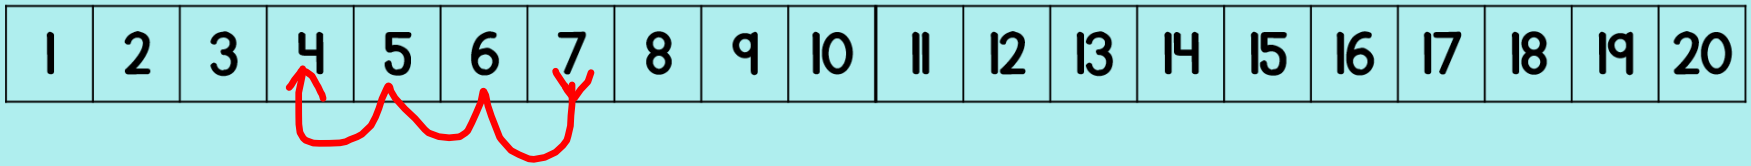

Which is the biggest number?

Use objects to practise taking the smaller number.

We can use a number line to take away objects.

7 3 ------> 7 − 3

Remember to start on the biggest number to count back.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

Can you solve the challenge? Count back from 6 to 2 to find the answer.

6 - ☐ = 2

Use the number line solve the challenges below

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

8 - 3=

6 -□= 4

9 -□= 6
