LO: To make 3D shapes

Starter

4+6	6+5+1+4

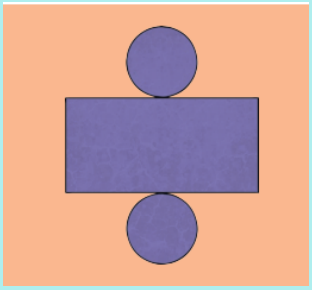
9+1	9+2+1+5

2+8	2+8+3+4

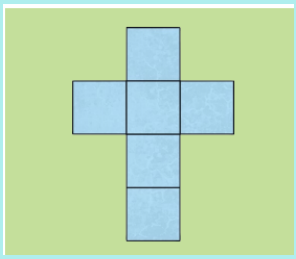
Today we will be making some 3D shapes using nets.

https://www.bbc.co.uk/bitesize/topics/zt7xk2p/articles/z247tv4

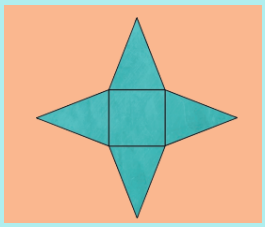
What do you think these 3D shapes are?



Cylinder

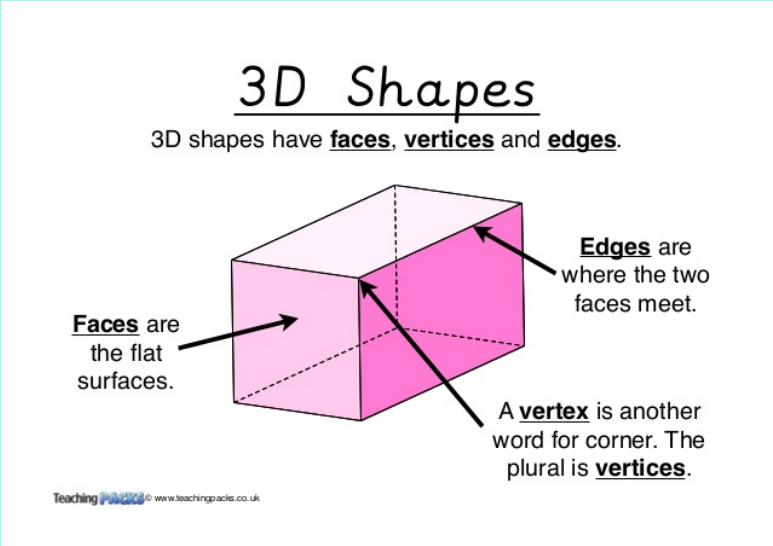


Cube



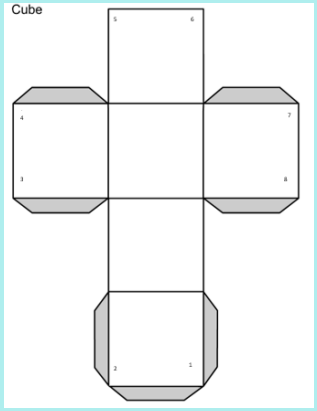
Pyramid

Key vocabulary:



I DO:

Let's make a 3D shape



Properties:

Faces 6

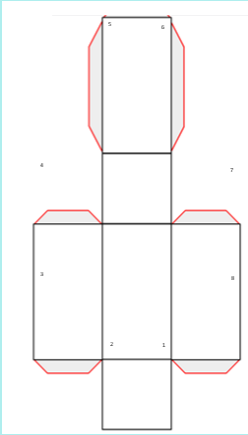
Shape of faces Square

Edges 12

vertices 8

WE DO:

Let's make a 3D shape



Properties:

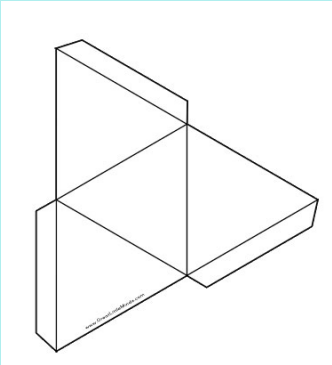
Faces _____

Shape of faces_____

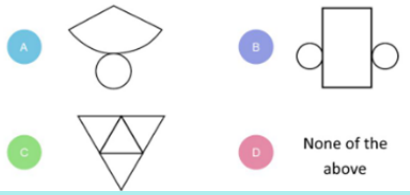
Edges_____

vertices_____

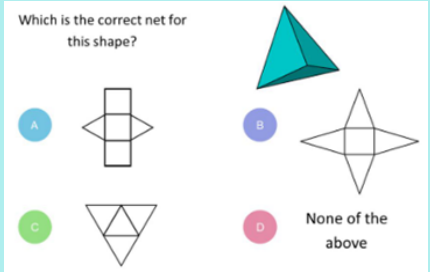
YOU DO:



Which diagram is the net for a cone?



Which is the correct net for this shape?



When this net was folded into a 3D shape, how many edges would the shape have?
