LO: To plan a video

Today, we are going to make a written plan for our video

Video planning sheet

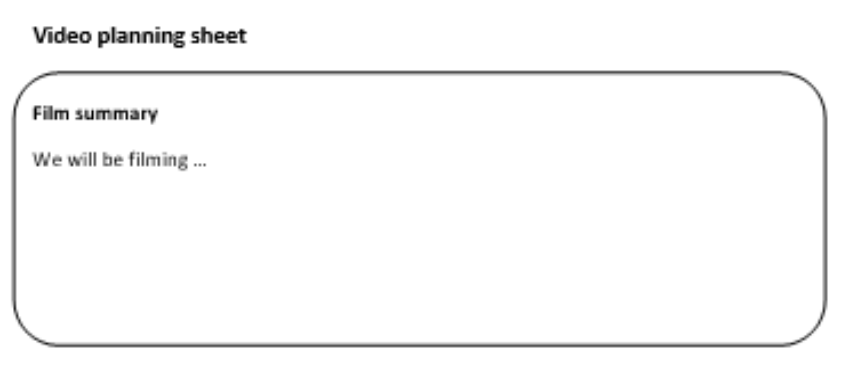

Film summary

We will be filming ...

Time (secs)	Action
0	
10	
20	
30	
40	
50	
60	

This is our planning sheet. We will be Filling this in today, so you can see exactly what you will be doing.

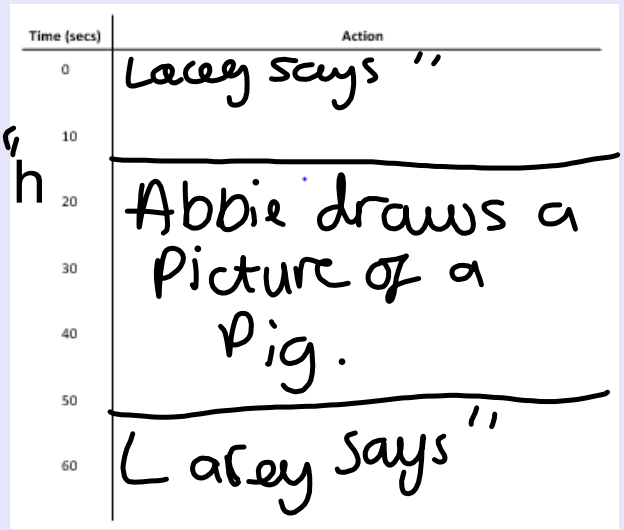

The first part of the planning sheet is where we write down what our video will be about. This is a short summary of what you will show in your video.

Video planning sheet

Film summary

We will be filming ...

This is the second part of the video planning sheet. This breaks down your video into 10 second sections. You are going to imagine your video, and write down what happens in each section.
