LO: To write a mythical tale.

Today, we are going to be writing our final piece.

We will be writing paragraph 2 (the middle of the story). In this part of the story, the knight goes on a quest and meets the villain.

Wynflaed travelled for two days, through freezing cold temperatures, until she reached the deep, menacing waters of the river. She approached the troll and demanded he battle her, to prove her strength. The troll was mean but not very clever. He didn't believe he would lose a battle with a woman. He crept out from his hiding place below the bridge and stood, mean and angry, in front of the knight.

"What do you want? A weak girl like you could never defeat me!" The troll growled menacingly.

"I will destroy you, then take your remains back to Camelot and we will celebrate your defeat!" She replied.

Get out your red words, success criteria, and any other resources you need for writing.

Remember to use your plan, but DON'T copy it!
