LO: To write a mythical tale.

## Today, we are going to be writing our final piece.

We will be writing paragraph 3 (the end of the story). In this part of the story, the knight defeats the villain and gets accepted into The Knights of The Round Table.

They fought for a long time, battling with weapons of steal, until eventually, the troll cut the Knights leg with a sword. She fell down and the troll huffed, then turned to return to his hiding place. On the way, he tripped on a tree branch and landed with a bang on the floor. Wynflaed began to laugh, the sound filling the air with joy and happiness. The knight's laughter was unbearable to the troll, and he cried out. He covered his ears as the noise was horrible. Wynflaed took this chance to defeat the troll once and for all.

When Wynflaed returned to Camelot, she showed the knights the body of the troll, and told them the tale of what had happened. The knights were so impressed with her story that they immediately allowed her to join. Merlin made sure that the final chair at the table had Wynflaed's name inscribed upon it, and she joined the knights for all their quests from then onwards.
