English

I am going to show you a set of images.

These images all have something to do with our book this half term.

Can you predict what our book might be about?

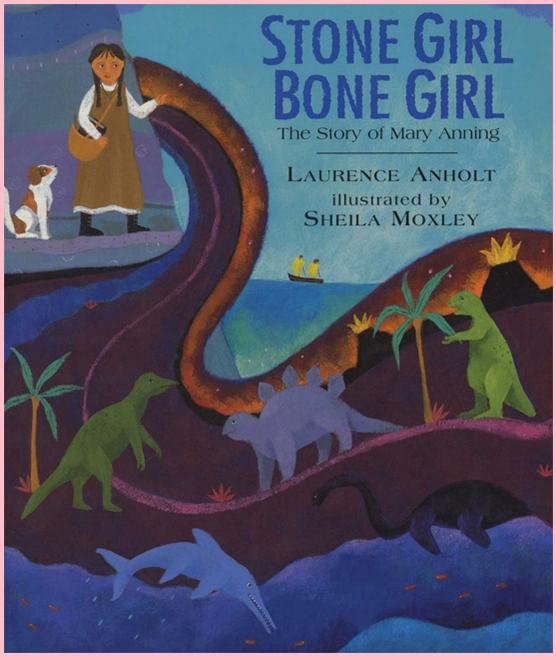

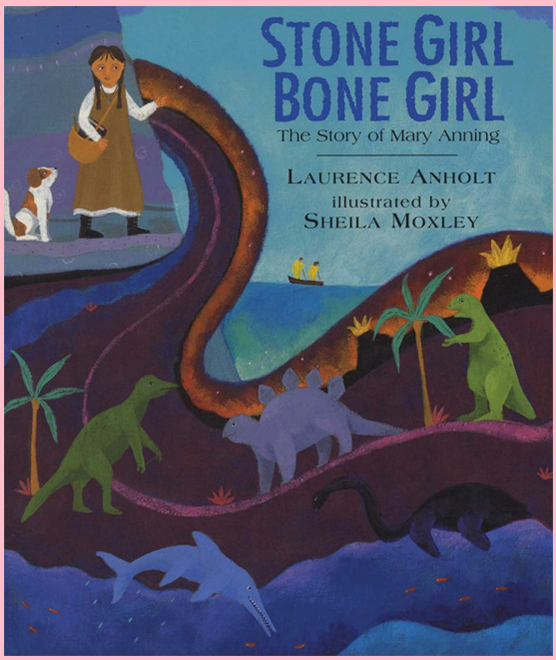

This is the book we will be reading.

It is the true story of a girl called Mary Anning, who lived in England over 200 years ago.

Let's read it together.

Use this link to read the book 2 times. On the second read, write down facts you hear about Mary Anning on post it notes or bits of paper. Save these facts, you will need them next week.
