Read text

I DO: When is there less friction?

WE DO: Why do cars not skid?

YOU DO: Why is it hard to push a table?

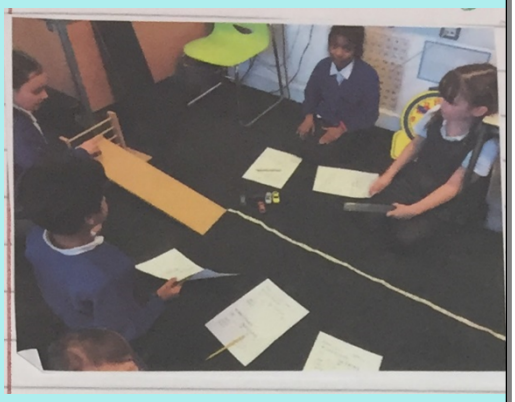

YOU DO: How do you not slip in shoes?

Sentence work: Friction is.....

Oct 27-13:31

Investigation:

We will be testing the friction of different materials. We will put a material on the ramp and see how for the toy car travels.

Oct 27-13:41

Materials																	
CM	0	5	10	15	20	25	30	35	40	45	50	55	60	65	70	75	80	85

Sentence work: The further the car travels.....
