LO: To sequence the events in the text in chronological order

Read the text in pairs

Sequence the sentences from the text in order.

Claudia wakes Livia from her sleep

There was a rumbling in night.

— All the animals can sense something unusual and threatening in the air.

The rabbits left their burrows

They wonder where the humans are.

— They head down the hillside

The goats complain about the mountain being too hot

Alba complains that she is hungry

The humans live in Pompeii

Discussion question: What do you think the dogs should do about the rumbling noises?
