LO: To retell the events in the story of Beowulf.

Many years ago in the land of Denmark. Lord Hrothgar was king and wanted to make everyone happy so he built a great hall and wanted to be Merry to the village.

After two years they finally built it the village Shouted this the biggest and best building we have ever seen Hrothgar named it Heorot they drank and ate and told stories.

But they didn't know that a creature was coming the creature was named Grendel it was slowly coming but they didn't know.

Grendel Grendel the arc then raised his face and Smashed the door and killed thirty People Hrothgar said he will return.

Hrothgar Both barricaded the door and put the Strongest armor and Shoes the Swords and got ready for battle. But the swords didn't work.
