Write news report

Find one to make it to the summit

Breaking news we have just received news that Hilary and Tenzing
or he just are men that have conquered Mount Everest

The Queen has just got a letter that says you have reached Everest.
The letter says delivered by Lord Mountbatten John Birt who asked the queen
to send it. Every Lord that you know was asked when I was my name
John that said he was not that got his leg broken by an eagle who was born
on July 14th in 1919 who lived in New Zealand.
