LO: To list ways to be
respectful towards
people who may live
differently to them.

Think back to the lesson when we looked
at statistics for Bradford.
We found out that Bradford is a diverse
community.
No everyone who lives here is the same,
but we need to respect each other
anyway.

Have you ever felt disrespected?

What is it like to be disrespected?

Can you come up with a list of ways we can respect everyone in our community?
