Here are some number sequences.

Which numbers are missing?

4, 5, ___, 7, ___ , 9, ___

12, 11, ____, 9 , 8,___, 6

2, 4, ___, 8, ___, 12

Can you find 3 different sized pots in your garden?

Use soil or sand to fill up each pot so they are full. How many shovels/ spades of soil does each pot take?

Here is a picture of my pots and the number of shovels each pot had.

How many shovels of soil did your pots have?
