3. ~~They~~ ~~eat~~ meat and deer.

they

LO: To write sentences using conjunctions.

so because and

What conjunctions can you think of?

What conjunctions can you spot in our report about tigers? Underline them.

Tigers

This report is all about tigers. Read this report to find out lots of facts about them.

What do tigers look like?

Tigers have orange fur with black stripes because they need to hide in tall grass. **Tigers** have large front paws with long sharp claws so they can catch their prey. They have a rounded pair of ears which is marked with many spots.

What do tigers eat?

Tigers are carnivores. This means they eat meat. They like to eat deer and wild boar and they hunt for their food. They hunt when it is dark so they are not easily seen.

What do tigers do?

Tigers are mammals that live on their own. They are the only big cat that likes to swim. They also spend a lot of their time sleeping.

I do : so
 and
 because

Tigers have orange fur
and they have sharp claws.

We do : so

and

because

Tigers have orange fur so .
