Can you count these coins?

LO - To compare amounts

What do these symbols mean?

<

>

=

What do these symbols mean?

<

>

=

less than

greater than

equal to

> greater than

< less than

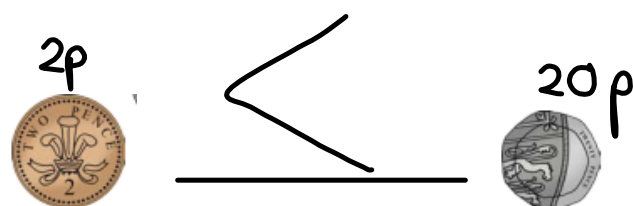

= equals to

$$\underline{10} > \underline{2}$$

$$\underline{\quad} > \underline{\quad}$$

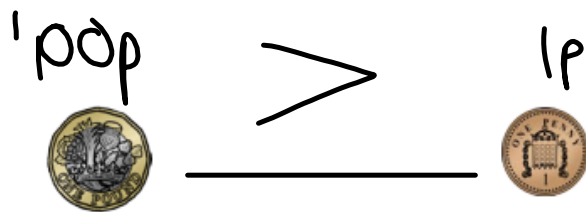

$$\underline{4} < \underline{100}$$

I do

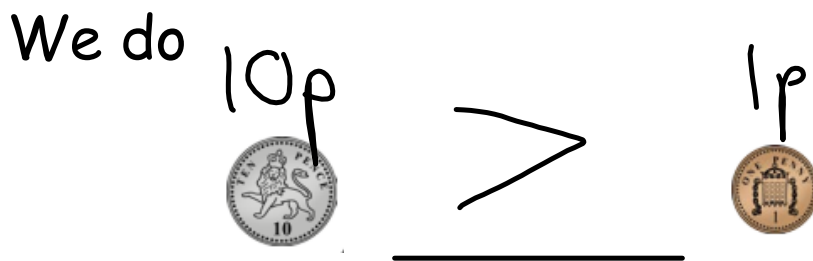

< less than > greater than = equal to

I do

< less than > greater than = equal to

< less than > greater than = equal to

I do

10p

 $\equiv$

10p

< less than > greater than = equal to

I do

< less than > greater than = equal to

We do

< less than > greater than = equal to
