On Friday we celebrated St Johns Day.
What did we do to celebrate?

Lets Read:

On Friday I came to school in my non uniform because it was St Johns day. I wore red, white and blue because these are the colours of the flag. At lunchtime we had a picnic in the classroom. I had a ham sandwich and a strawberry yogurt. It was delicious! Then we played some games. My favourite game was duck, duck goose. Next we went back into the classroom and made a rainbow coloured eagle. I used lots of colours on mine. Then we made our own flags. Finally we watched a film and I had a biscuit. It was such a great day!
