Counting to 20

Can you count to 20 with your partner?

11

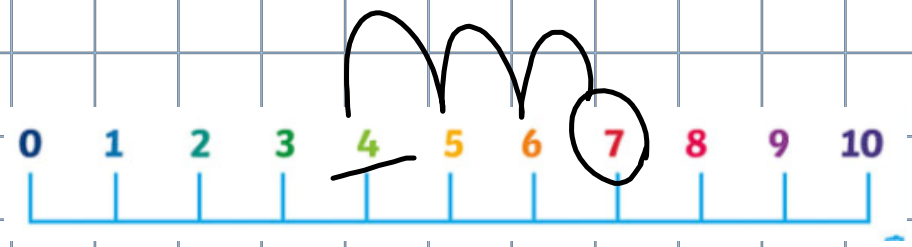

14

15

Write the number ___ on your whiteboard.

LO - To subtract using a numberline

First I have 7 pens. I Do
Then I lose 3.
Now I have

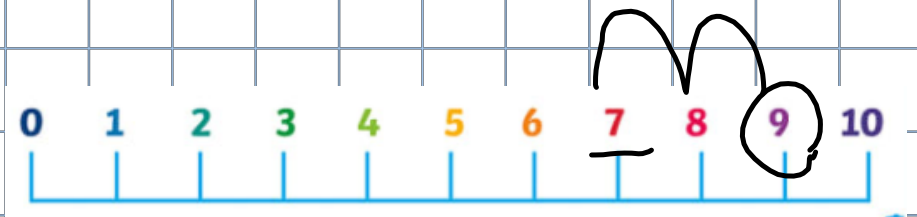

$7 - 3 = 4$

First I have 9 sweets.

Then I eat 2.

We Do

Now I have

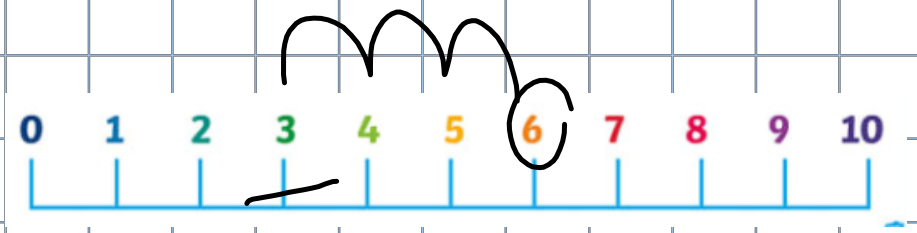

$9 - 2 = 7$

First I have 6 sweets.

Then I eat 3.

Now I have

You Do

6 - 3 =

True or False

9 - 4 = 5 I Do

Tom starts on 9.
He counts back 4.
He lands on 3.

It is false because 9 - 4 = 5

True or False

There are 9 cows in a field. 4 go to another field. Now there are 5.

We Do

9 − 4 = 5

It is true because

Have a go at these questions
