Once there was a soft, brown toy called Dogger. He belonged to a little boy called Dave who took him everywhere.

One afternoon Dave, Dogger and Mum went to collect Bella his sister from school. When they got home, Dave could not find Dogger anywhere. They searched the house from top to bottom but Dogger was nowhere to be seen.

The next day they went to the school fair. Dave was so sad because he missed Dogger. While they were there, Bella won a giant Teddy on a stall. Just at that moment, Dave spotted Dogger out of the corner of his eye. He was for sale on a toy stall. Suddenly something terrible happened. A little girl reached across and bought him. Dave could not believe his eyes and started to cry. Luckily, Bella was very kind. She swapped her giant teddy for Dogger! Dave gave Bella a big hug and they all went home happily.

LO: To sequence a story.

What does sequence mean?

Can you put the first part of the story in order?

Mum and Dave looked everywhere for Dogger.

Dave had a toy called Dogger. He took him everywhere.

One day when he was picking his sister up from school, Dave lost Dogger

Now can you put the story in order?

Mum and Dave looked everywhere for Dogger.	One day when he was picking his sister up from school, Dave lost Dogger.
Dave had a toy called Dogger. He took him everywhere.	A little girl bought Dogger. Bella swapped her new big teddy for Dogger.
Dave gave Bella a big hug for getting Dogger back.	At the school fair Dave saw Dogger for sale on a stall.
