Here are some of the symbols that are used to show the different types of weather.

Can you guess what they all mean?

Draw and label the different symbols into your book.

The weather symbols are put onto a map to show what the weather will be like at different places.

In Ireland it will be cloudy and rainy.

Look outside your window. Over the next few days keep a weather chart to describe the weather.

Today the weather is _____.

It is _____.

Draw and label a symbol to match the weather.
