1. To recreate a Mondrian piece of art using only primary colours.

Can you remember the three primary colours?

What does primary colours mean?

Describe the picture to your partner.

What can you see?

Lets read:

The artist Mondrian loved to paint in primary colours. He made lots of paintings using primary colours. We are going to do some paintings abit like his.

Now paint three shapes in red, wash your brush and repeat with blue and yellow.

Challenge

Can you make blue using red and yellow? Why not?
