Why is it important that we keep our money safe?

Sometimes we may want to buy things that are more expensive. It may take a long time to save up for something special, so we need to make sure our money is kept somewhere secure while we are saving.

If you wanted to buy the things shown in these pictures, where might you keep your money to make sure it is secure whilst you save?

For the scenarios below, show how you think you should keep your money safe

You bring £1.50 to school for a fundraising event. How do you keep it safe?

You have saved your pocket money for a number of weeks. You have £25 to take to the shops to buy a toy. How do you keep it safe?

You get paid £100 wages from your job. How do you keep it safe?

Your parents ask you to go to the shops with your big brother to buy bread and milk. They give you £3 to look after. How do you keep it safe?

You are going to a friend's house after school to play. You bring 50p to school to spend at the shop after school with your friend and their family. How do you keep it safe through the day?

Your auntie comes to stay. She gives you £5 as a gift. How do you keep it safe?

You outgrow your bike and your family helps you sell it to your neighbour. Your neighbour pays you £15 for it. How do you keep the money safe?
