LO: To write a story.

Look at the first 4 boxes of your plan.

Can you tell your partner the story?

I do: Write the first part of your story.

Once there was a little boy
called Ben. He was having a picnic
in the big garden. Suddenly he
heard a loud knock!

He went to unlock the door. A black and white penguin was standing in front of him. Do you want to come in? Ben asked the penguin.

Ben offered the penguin some
fish fingers. He ate all the
fish fingers because he was hungry.
