They all jumped in the car and off they went. A little while later, it started to rain. Mr Gumpy jumped out of the car and put the hood up. The road grew muddier and muddier and the wheels started to spin. Mr Gumpy looked at the hill ahead and told the animals to get out and push. Nobody wanted to help and they all made excuses. The wheels churned and the car sank deeper into the mud! The animals had no choice so they all got out and pushed. Suddenly the car began to move! Everyone gave a mighty heave and the car edged its way to the top of the hill. Suddenly they looked up and saw the sun shining. They drove home across the bridge and even had time for a swim.
