Last week in our RE lesson we discussed the word unique.

Can you remember what that means?

Unique means that is only one of it's kind.

We are going to watch a video which is a bible story called

Jesus blesses the children.

https://www.youtube.com/watch?v=_KZW6g_uUu8

What happened in the story?

Who did the mother's take their children to see?

What happened when they got to Jesus?

What happened in the end?

We are going to act out
the story in small groups.

Discuss

What is the message in the story?

Who is important?

What do you think Jesus thought when the guards turned the mothers away?
