What is double the number?

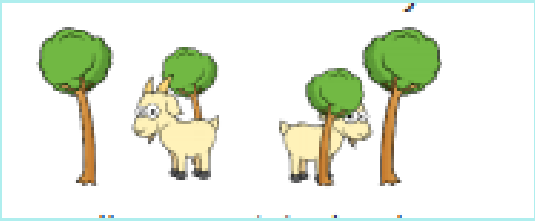

2

4

3

5

Look at the goat. Where is it standing in relation to the tree?

The goat is *in front of* the tree.

The goat is *behind* the tree.

Where is the bear?

The bear is *in between* the table and box.

Activity-Have a go at placing some dolls or lego figures on furniture or toys.

Where have you put the dolls?

Give a grown up instructions to put the doll somewhere.
