L.O. I can say what responsibilities I have in and out of the classroom

Can any one remember

what does an animal or

human need to live a happy life?

All pets need looking after everyday.

Why can't they look after themselves?

Some people get pets with out thinking about how much time they need to spend looking after it everyday.

Lets look at a dog.

How much time?

Who is responsible for the pet?

Who will pay for the vets bills and the food?

Who will care for the animal in the evening, weekends and holidays?

It is an extra responsibility on top of a busy school day.
