LO - To calculate difference

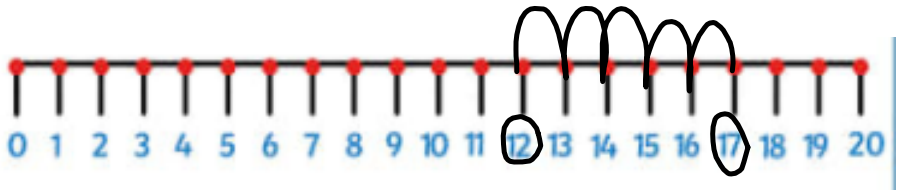

Starter

Counting in 10s

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

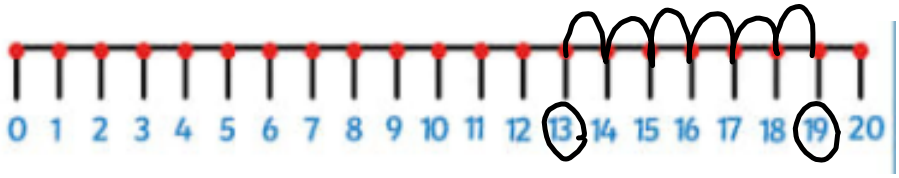

I do

The difference between 12 and 17 is 5

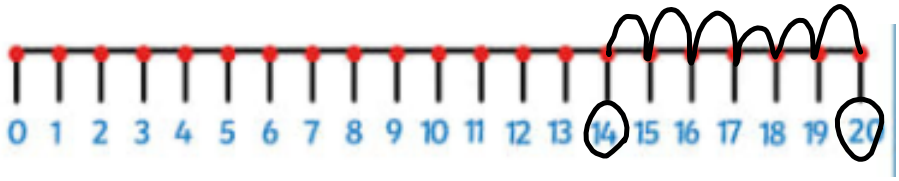

I do

The difference between 13 and 19 is 6

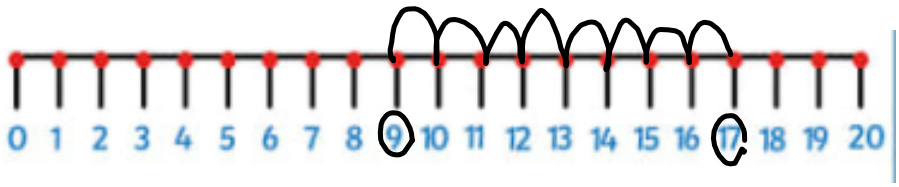

We do

The difference between 14 and 20 is 6

We do

The difference between 9 and 17 is 8

You do

The difference between 9 and 15 is _____

The difference between 12 and 20 is _____

The difference between 13 and 18 is _____

The difference between 11 and 16 is _____

The difference between 8 and 18 is _____

The difference between 10 and 17 is _____

Challenge

The difference between 6 and 12 is 9
