| Rosie has 8 dolls.<br>She gives 3 to Bella.<br>Now she has _____               |                                                                                     |

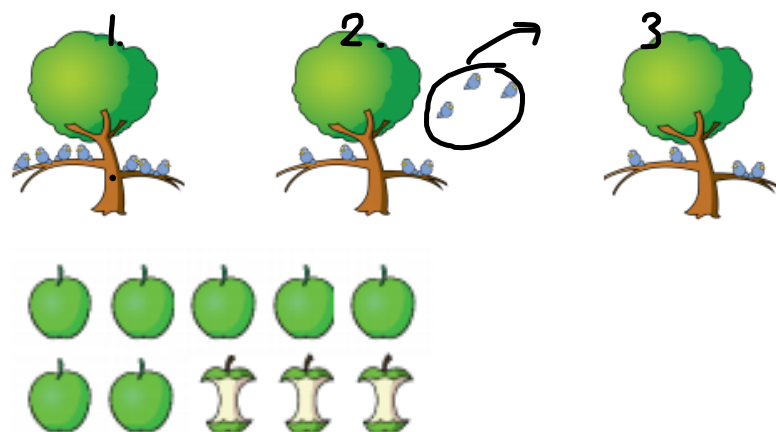

# Challenge

Can you create your own number story

First \_\_\_\_\_

Then \_\_\_\_\_

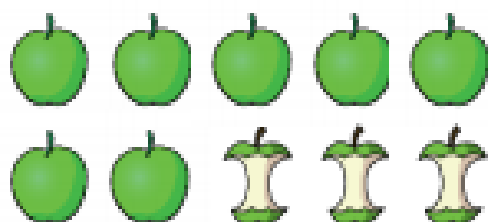

Now \_\_\_\_\_

First \_\_\_\_\_

Then \_\_\_\_\_

Now \_\_\_\_\_

*Challenge 2*

Some pears have been eaten.  
There are 3 left.

\_\_\_ pears could have eaten.

If there were less than 8 pears to start with,  
how many could have been eaten?

Write all possibilities.
