Welcome back.

It's hard to believe we're already in the final stretch of the academic year—with just six weeks to go! This year has been full of activity, excitement, and change, and I'm hopeful that this final term will be our most successful one yet.

Transition Support:

As we near the end of the school year, we're working closely with staff and families to support smooth transitions for all pupils moving into new year groups. Our focus is on reducing anxiety, building confidence, and preparing each child for a successful start in September.

Please contact us if you feel your child would benefit from additional support.
