Happy New Year

I hope you had a wonderful Christmas break and I look forward to working closely with all our families to support children with SEND. If you would like to discuss your child's needs, please email and I will contact you with an appointment time. I am available Mondays to Wednesdays.

SEN coffee morning

Miss Jordan, our Special Educational Needs Coordinator, is holding a SEND coffee morning on Tuesday 9th January 2024 at 8.30am – 9.00am in The Hive. This workshop will focus on social, emotional and mental health support.

Resources and support

The Light cinema in Bradford is offering regularly scheduled relaxed screenings designed to help children with autism and sensory sensitivity to enjoy the cinema. Use the QR code to find out more.

AWARE runs many regular groups and events for children and young people on the autistic spectrum.

Short Breaks give disabled children the opportunity for an enjoyable experience with or without their primary carers. Short Breaks also allow parents and families a break from their caring responsibilities. They give parents a chance to unwind, rest or spend time with the rest of the family.
