Subject: Warm Weather Arrangements This Week

Dear Parents and Carers,

As we are expecting particularly high temperatures this week, we are taking a few steps to ensure the children remain safe and comfortable whilst at school.

Please can you support us by:

- Applying sunscreen to your child before they come to school. If you wish them to reapply during the day, please ensure it is clearly labelled.
- Sending your child to school with a hat or cap to wear during outdoor times.
- Ensuring your child brings a clearly labelled water bottle to school each day.

In addition, children are welcome to wear their PE kit to school for the remainder of the week if they feel this will keep them cooler.

We will continue to encourage regular water breaks, keep classrooms well ventilated, and limit time spent outdoors during the hottest parts of the day.

Thank you for your continued support in keeping everyone safe in the warm weather.

Kind regards,

Gemma Emsley
Head Teacher
