Dear Parents and Carers,

At Clayton St John, we are committed to maintaining a safe, respectful and supportive environment for all of our pupils. As part of this, we kindly ask for your continued partnership in promoting positive conduct within our school community.

We would like to remind all parents and carers of the importance of speaking respectfully about all children and families, both on school grounds and in the wider community. Our pupils learn not only from what we teach, but from the behaviours and attitudes they see around them. Positive language and respectful interactions between adults help us create an environment where every child feels safe, valued and ready to learn.

We also ask for your support in following our school expectations and parent code of conduct, which includes:

- **Modelling respectful behaviour towards all staff, pupils, and other parents.**
- **Using positive and considerate language, especially when discussing children.**
- **Raising any concerns directly with school staff rather than with other parents or pupils.**
- **Ensuring disagreements are handled calmly and appropriately, allowing the school to investigate and respond as needed.**
- **Supporting children in understanding how to manage conflict in a safe and constructive way.**

By working together, we can help ensure our school remains a welcoming and supportive place for every child and family.

Thank you for your continued cooperation and partnership. If you have any concerns or would like further guidance, please contact the school office.

Kind regards,
Mrs. G. Emsley
