We are excited to let you know that on **Friday 14th November**, we will be supporting both **Children in Need** and **Anti-Bullying Week** in school.

To mark these important causes, children are invited to come to school wearing **bright colours (non-uniform)** to show their support for **Children in Need**, and/or **odd socks** to celebrate **Anti-Bullying Week!** It's a wonderful opportunity for everyone to have fun while raising awareness about kindness, inclusion, and helping others.

If children would like to, they can also bring a **small donation** to support **Children in Need** – this is completely optional.

Thank you for your continued support in helping us make a difference!
