

Wednesday 2nd April 2025

Join us on **Wednesday, 2nd April 2025**, as we host a **Whole School Colour Walk** in celebration of **World Autism Awareness Day**. This event is part of **Our Spectrum Colour Walks 2025**, helping to raise awareness and

vital funds to support autistic individuals and their families.

We invite all children to **wear lots of colour** on this day to show their support for Autism Awareness and Acceptance. Together, we can make every step count towards creating a more inclusive society.

All children in school will get the opportunity to walk our **daily mile track** to participate in our **Whole School Colour Walk**!

We appreciate that times are hard financially and any donation you are able to make is truly appreciated and can be paid through **Parent Pay**.

If you are not able to contribute financially, we still very much welcome your participation to celebrate **World Autism Awareness Day**.

We look forward to seeing you in a Sea of Colour on

Wednesday 2nd April 2025!
