2024 Helping the Homeless Shoebox Appeal

Over the past few years we have supported the homeless people of West Yorkshire by making up shoeboxes with gifts for Christmas.

This year, life on the streets will be harder than ever. We would like our children and families to have the opportunity to get involved once again to support some of the homeless people in Yorkshire.

The organisation 'Bradford Homeless Shoebox Appeal' are looking for donations to add a little comfort to the lives of homeless people over the festive period.

Should you wish to contribute we would kindly ask that you fill a shoe box with some of the following items and bring to school by **Friday 6th December:**

- Toiletries such as toothpaste, toothbrush, wet wipes, soap, deodorant, body spray, tissues etc
- **A small gift such as a book, puzzle book, notebook, diary, pens, chocolate etc**
- **Cereal bars and snacks**
- **Torches**
- **First Aid Kit**
- **Hand Warmers**
- **Socks, hats, gloves etc**
- **Sweets and treats**

Please state if the gift box/shoe box is for a male or female if applicable. Please wrap your box (top and bottom separately) in Christmas paper.

Please note that there are many more men than women who are homeless.

We hope you will join us in supporting this worthy cause and hopefully we can spread a little love and happiness on the streets of Yorkshire over Christmas.
