We are delighted to announce that we are now a Music Mark School!

Our school has been invited by the Music Service to become a Music Mark School. They have recognised the value that we place on music and have added us to the growing network of Music Mark Schools supported across the UK as a Music Subject Association.

We, at Clayton St John, ensure that pupils are able to access a high-quality music education. We are dedicated to delivering a broad and balanced curriculum which has been recognised and is being celebrated. We look forward to working with Music Mark to continue to develop music education at our school.

The Music Mark vision is for there to be accessible and excellent musical learning and engagement in and out of school, for all children and young people, which inspires and enriches their lives. We are so proud of everything our children have achieved throughout their time at Clayton and are thrilled to be recognised for this.

We would also like to congratulate Mrs Chamberlain for all her hard work and dedication in achieving this wonderful award for our school.
