

Here are some 3d shapes I found in my home

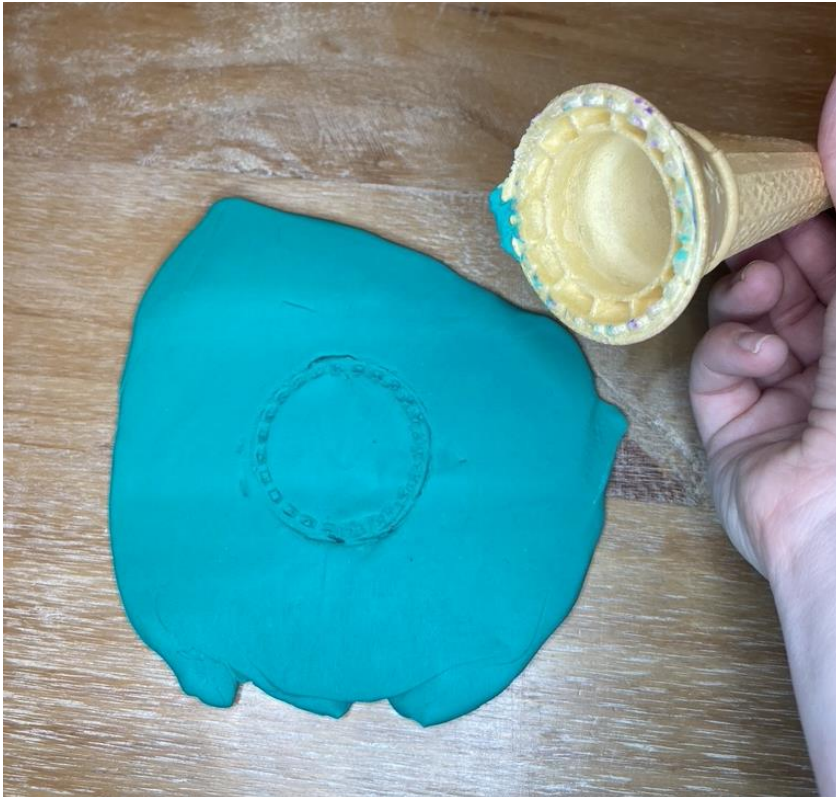

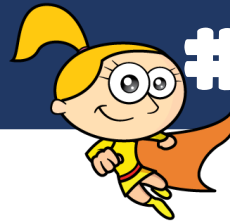

Which shape has made a print in the play dough?

How do you know you are right?

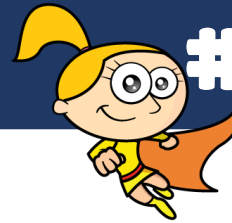

Which shape has made a print in the play dough?

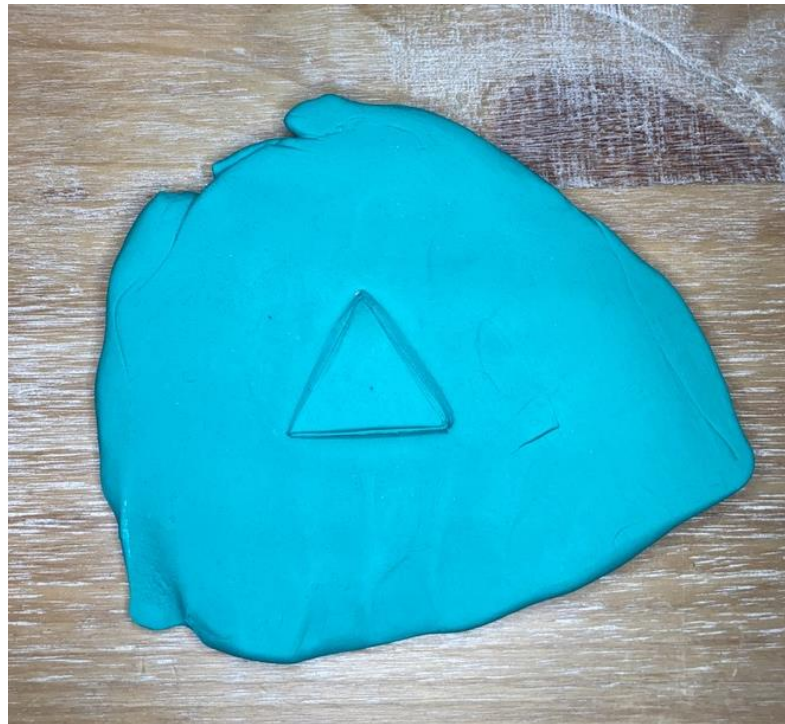

How do you know you are right?

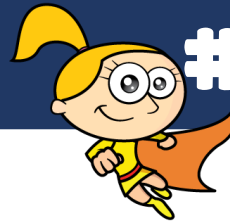

Which shape has made a print in the play doh?

How do you know you are right?

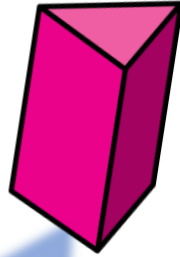

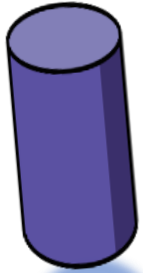

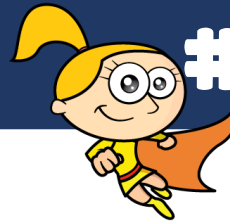

Which shape has made a print in the play dough?

How do you know you are right?

Can you make a pattern with your shapes in the play doh?
