

Can I build the cube
on top of the cone?
Why not?

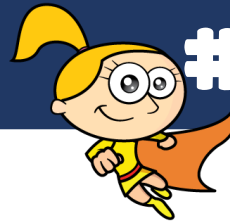

Can I build a cylinder on
top of the cube?

Why?

Can I now put the cone on
top of my model?

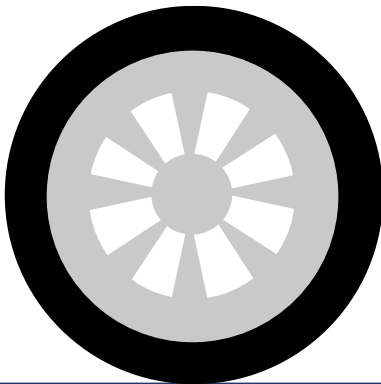

Why?

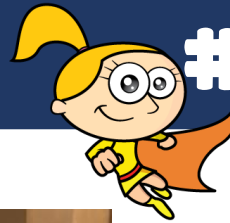

Who do you think can roll their
wheel?

Panda or Super Ted?

Why?

Your text here What objects can you find that roll down a ramp? Can you find objects that slide down the ramp? Sort your objects into 2 groups.
