28 April 2025

Dear Parents / Carers,

Multiplication tables check for Year 4 students

I am writing to provide details about the Year 4 Multiplication tables check which will be taking place between the 2nd and Friday 13th June. All children in the current Year 4 classes will be completing the check which is designed to ensure that each of them has the required times table skills before moving up to upper key stage two. Please find enclosed a leaflet from the Standards & Testing agency which provides some further information about the check.

If you have any questions or concerns about the multiplication, please contact your child's class teacher in the first instance.

Yours sincerely,

Mike Lacey
Assistant Head & Maths Lead.
