

Wednesday

1. I'm thinking of a number. It is bigger than 5 but smaller than 10. My number is one more than 7. What is my number?

2. I'm thinking of a number. It is bigger than 16 but smaller than 20. My number has an 8 in it. What is my number?

Can you order the numicon shapes?

Write numbers 1- 20 on small pieces of paper and place them in the correct order. With a grow up take it in turns to close your eyes and remove a number. What is missing? How do you know?
