Multiplication Tables Check-Y4

Dear Parents/Carers,

To support your children going forward into Year 5, we have decided to take part in the optional Multiplication tables check test this year from the Department for Education (DFE). The purpose of the check is to determine whether pupils can fluently recall their times tables up to 12, which is essential for future success in mathematics.

These times tables tests will be taking place week commencing 21st June and the children will start practising daily in school. The test has a very similar format to the game 'Sound Check' that the children play on TT Rockstars where they answer 25 varied multiplication questions. Therefore, we ask that you encourage your child to practise this 'Sound Check' every day at home to help them with this test in the coming weeks. The children know their log ons for this as they use this daily in school. If you have any issues with the internet, please practise times table questions up to 12x12 with your child.

To find out more information, please follow the link below;
