
LIVING in the
WIDER WORLD

## How can our choices make a difference to others and the environment?

# LO:To understand how people have a shared responsibility to help protect the world around them

how what people choose to buy or spend money on can affect others or the environment

With your partner, make a list on your whiteboard of ten things which you use which are made of plastic.

Watch video clip 1 about our use of plastic.

Look at your list - can you sort your items into the three different types?

Discuss with your partner how this picture makes you feel.

What message are these campaigners trying to make?

Watch video clip 2 about the effect of this plastic on our environment.

Discuss with your partner what simple changes we can make to have a positive impact on the local and global environment and help prevent further ocean plastic pollution.

Discuss with your partner how these volunteers are making a positive effect on our environment.

Complete the quiz about plastic.
