Use good examples from your English work.

Nov 30-11:55

Monday 14th December
LO: To write

Read the WAGOLL with your reading partner.
Read your plan to your reading partner.
Do you need to add anything or make any improvements before you start writing?

Nov 30-12:02

Monday 14th December
LO: To write

I do

How sound travels.

Have you ever wondered how sound travels? If not then read all about how sound can travel from a drum to your ear.

To create a sound, you must first hit the drum with a stick. Once you have hit the drum, its skin will start to vibrate. When something vibrates the particles move rapidly. If you hit the drum harder, the particles will move more quickly and create a louder sound.
