LO: To write a summary

Nov 20-08:03

What have we been learning about this term?
What did you learn from the story of Noah?
What kind of man was Noah?
What covenant did God make in the story?
What kind of covenants do we make in our lives?
How can the story of Noah help us to lead a good life?
How does the story of Noah help Christians to lead a good life?

We have been learning about the story of Noah. In the story, God sent a flood so he could make the world a better place. Because Noah was a good and righteous man, God asked him to build an ark. Noah was obedient and followed God's instructions. He took the animals on the boat so they would be safe. Once the flood was over, God made a covenant to say he would not send a flood again.
In our everyday lives we make covenants regulary which help us to live in a safe and joyful world. The story of Noah helps Christians as well as other people to live a good life because it reminds us to do the right thing.
