Lets look at wheels

© the Design and Technology Association

Where would you see a wheel like this?

© the Design and Technology Association

What can you see on the tyre?

© the Design and Technology Association

What happens to the wheels when the buggy is turned?

© the Design and Technology Association

Why do you think these tyres have deep treads?

© the Design and Technology Association

How big do you think the wheels are?

© the Design and Technology Association

What are these wheels made of?
