I do

Write some sentences to explain what impact Sir Titus Salt had on this area of Bradford.

Sir Titus Salt built his model village on the outskirts of Bradford because he wanted his workers to have a happier and healthier life, unlike the slums in the centre of Bradford.

We do

Continue to write sentences to explain what impact Sir Titus Salt had on this area of Bradford. Write about what he built and how this changed people's lives and the landscape.

Sir Titus Salt built his model village on the outskirts of Bradford because he wanted his workers to have a happier and healthier life, unlike the slums in the centre of Bradford.
