Wednesday 30th November 2020
LO: To make links between the story of Noah and how we live in school and the wider world.

Nov 20-08:03

Think about the covenant between God and the creatures he created in the Noah story. Both humans and God had conditions they needed to stick to.

Nov 20-08:03

Think about one thing that you could do to make your table/group in class a great place to work.

Nov 20-08:03

Write table contracts: on a large piece of paper each person writes down their promise of one thing they will do to help their table/group. The paper should then be signed by all group members.

Nov 20-08:03

Discuss God's sign of the rainbow as a reminder of his promise, and other ways people remember things: for example, sticky notes on the fridge.

Nov 20-08:03

Decide on what you are going to do to help you remember your promises in the contract and then carry out your decisions.

Nov 20-08:03
