Tuesday 16th March
LO: To label the human and physical features of Saltaire.

Starter

Write sentences about the features of Saltaire using conjunctions.

I do

Saltaire has houses and buildings which were built in the 1800s.
A river runs through Saltaire yet there is also a canal.

Read the text and answer the questions.

a) What is a human feature?

b) What is a physical feature?

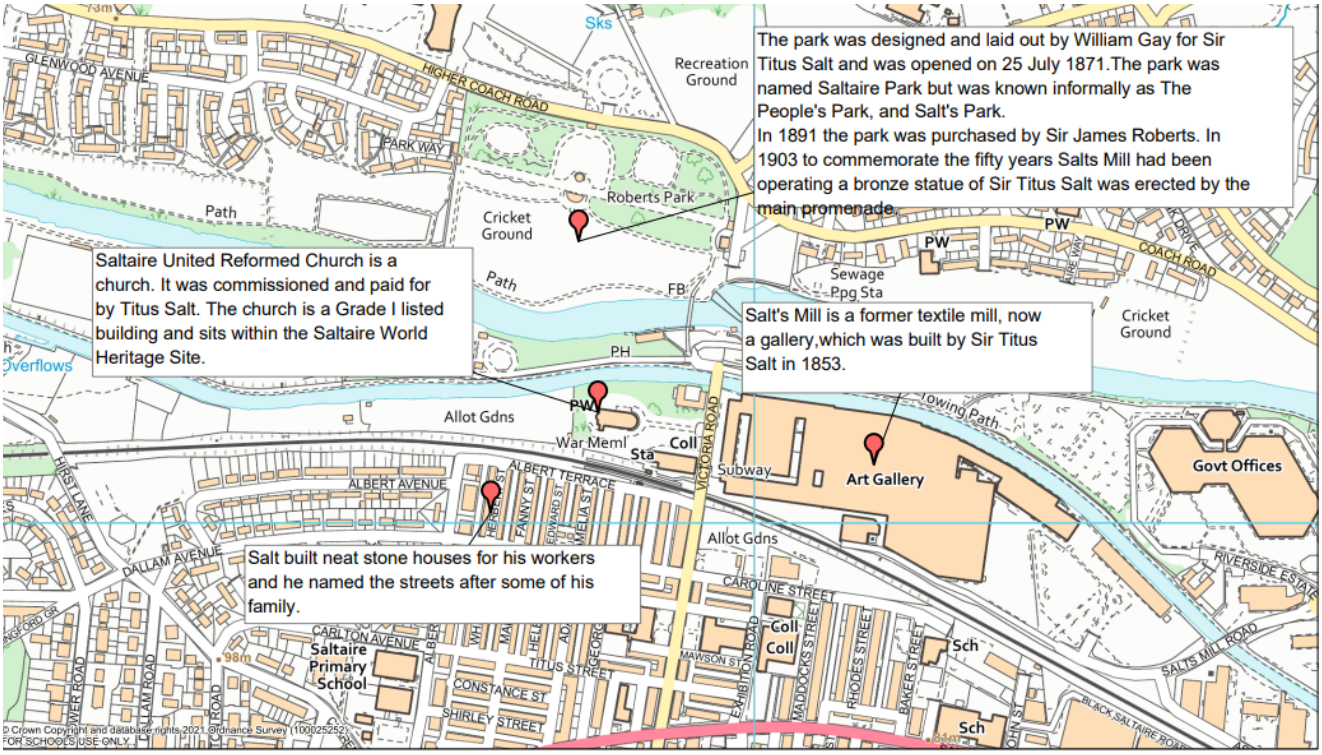

c) What is a settlement?

d) Give an example of a natural resource.

e) Explain economic activity.

Put your answers on post-it-notes.

Put the answers in the correct order.

The park was designed and laid out by William Gay for Sir Titus Salt and was opened on 25 July 1871.The park was named Saltaire Park but was known informally as The People's Park, and Salt's Park.
In 1891 the park was purchased by Sir James Roberts. In 1903 to commemorate the fifty years Salts Mill had been operating a bronze statue of Sir Titus Salt was erected by the main promenade.
Saltaire United Reformed Church is a church. It was commissioned and paid for by Titus Salt. The church is a Grade I listed building and sits within the Saltaire World Heritage Site.
Salt's Mill is a former textile mill, now a gallery,which was built by Sir Titus Salt in 1853.
Salt built neat stone houses for his workers and he named the streets after some of his family.
