What is the Trinity?

Christianity is a monotheistic religion. This means they believe in one God.

However, Christians regularly talk about God being three people:

The Father

The Son

The Holy Spirit

Each of these is part of God.

What is the Trinity?

The Trinity is made up of three forms which are all God.

Christians believe humanity encountered God in each of these three forms.

The Father, the Son and the Holy Spirit each have different roles.

The Nicene Creed

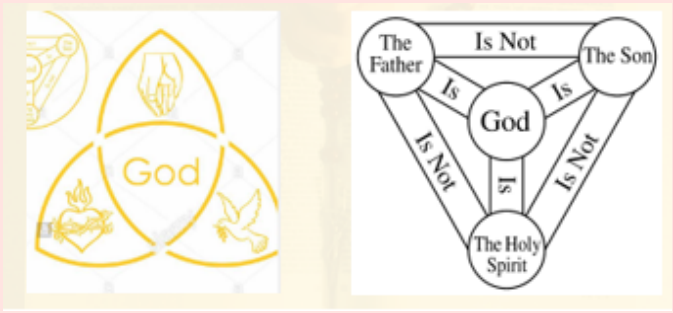

The Nicene Creed is one of the main statements of faith in Christianity.

It tells us a lot about Christian beliefs about God.

Read the Nicene Creed and answer the questions.
What do Christians believe about God?
Why did he come down from Heaven?
What are the Scriptures?
Who did God speak through?
What is the purpose of Baptism?
